

# Mustang Memo

## 2.12.24

We are proud of the learning that takes place at New Washington Middle High School. Our students continue to lean into the instruction provided by teachers, and they are applying what they have learned in meaningful and productive ways. You can support the work happening at school by asking your students what they are reading or learning in their classes. Revisiting the concepts at home helps solidify it.

Next week is National FFA Week. National FFA Week embraces more than 95 years of FFA traditions while looking forward to the organization's future. More than 945,000 members will participate in National FFA Week activities at local, state, and national levels. These members have a passion for agriculture. We are proud of our strong agricultural community and hope students will participate in the designated spirit days to celebrate FFA. Designated a national week in 1947, this week gives members an opportunity to educate the public about agriculture. NWMHS will celebrate National FFA Week with spirit days and designated activities during lunch in the Ag shop.

We know that this time of year often arrives with sickness, and we ask that you continue to notify us if your child is absent. Being at school is a priority, and research shows that attendance is linked to higher academic performance. That being said, if a student is unable to attend, please communicate with us and turn in documentation to the front office.

**Homework help is available** with Mrs. Chapman for students in grades 6-12 on Wednesdays and Thursdays after school from 3-4PM. Parents should plan to pick up their students promptly at 4PM. If you have more than one student you wish to attend, please complete this form for each child. Fill out [this form](#) to sign your student up. Please email Mrs. Chapman with any questions or concerns at [mchapman@gccschools.com](mailto:mchapman@gccschools.com).

[EventLink](#) contains our school and athletic events including practices. For instructions to sign up, click [here](#). Please be sure to subscribe to the sports calendar, the practice calendar for the sport, and the special events calendar. You may also view upcoming events on our [Calendar](#) page from the school website.
