

Mustang Memo

3.3.24

The end of the quarter is quickly approaching next Friday, March 15, 2024. Please communicate with teachers if you have questions about your student's grades. Most teachers have a firm deadline to accept late work in order to have the time necessary to update grades. Students have been learning and are showing what they have learned in the form of assessments. Middle School students were rewarded with a field trip to Zaxby's if they met their goals this quarter!

SAT Day is March 6, 2024, and impacts current juniors and seniors. It is imperative that juniors arrive to school on time, well rested, and fed with their charged Chromebooks. (Prosser students have been excused from Prosser to be at NWMHS for the day.) To prepare for the test, juniors may use their Khan Academy accounts or BlueBook. Increased exposure to test-like questions and content will help them on the testing day. We are asking seniors to plan and participate in a College Visit or Job Shadow experience on March 6. **Grade levels 6-10 will run on a normal schedule.**
