This is the last week of Quarter 1. Students are completing projects and exploring opportunities on and off campus. I am grateful for teachers who have engaged students in academics through relevant application of standards and skills. Through partnerships with businesses and organizations, students are receiving valuable feedback. If you have any questions regarding your student's grades, please communicate with teachers about how to improve the grade before the end of the week.

Mark your calendars! Fall Festival will be held at NWMHS on October 28. We hope you and your family join us to celebrate as a community.
