

Mustang Memo

9.4.23

Reminder: There is no school on Tuesday, September 5, 2023. Enjoy your holiday weekend with your students!

This past week, students were able to participate in a staff vs. students volleyball game as a part of our PRIDE incentives. PRIDE is our school-wide Positive Behavior Intervention System that provides opportunities to teach students behavior expectations and reinforce positive behavior choices with incentives. This year, we are working on providing more opportunities for students to demonstrate PRIDE as Mustangs. When students return to school on Wednesday following this holiday weekend, they will have a new opportunity and fresh start to earn the next incentive which will be held at the end of September. Please encourage your students to make healthy choices at school to contribute to a positive learning environment. Our PRIDE system has established behavioral expectations for students that have enhanced learning opportunities in the classroom.

We are over halfway through the first quarter of the grading period. Please use PowerSchool to check your student's grades and communicate with teachers. There are four weeks left for students to improve their grades.

Mark your calendars! Fall Festival will be held at NWMHS on October 28. More information for grade-level baskets will be emailed to you. We hope you and your family join us to celebrate as a community.
