**Please mark your calendars with these important dates and upcoming events:**

### **3/2-3/4: SAT Testing – All Juniors**

The required SAT testing for junior students is taking place on March 2 or 3. March 4 will be used only if necessary. Your student is aware of his/her testing date.

Students must bring a fully charged Chromebook, a charger for their Chromebook, a pencil, and an optional, small snack.

Phones and smart watches will not be allowed in the testing rooms. The only exception will be for previously documented medical needs.

It is very important that your student be on time to school on the assigned testing day. Students should also be well-rested, fed, and determined to give their best effort during the entire test.

### **3/14: Career Fair for High School Students at NW, 9:30 AM – Noon**

This is an exciting opportunity for our students to meet with representatives from area businesses and a few higher education institutions. Some employers will offer on-the-spot interviews! Come prepared: dress for success and communicate to impress. Polish your resumes and elevator speeches.
