Administrative Assistant: Ginger Wilson (812) 293-3368 Ext. 19140

Hello Mustangs,

ILearn testing for the middle school is OVER! **Thank you, teachers and Ms. Stephanie Chapman, for a successful two weeks of testing! Thank you, students, for your perseverance! Keep up the great work!**

Biology ILearn, here we come! 😊

Mrs. Jill Sceifers has done an amazing job putting together an Adulting Day for our Mustangs at the high school level. Throughout the year, they have created a resume, been interviewed by guests from area businesses, participated in two College and Career Fairs, and have now taken part in what we hope will become a new tradition, our “Adulting Day.”

Our students shared that there were some tasks adults face that our academic coursework did not cover. We listened! Students chose from 26 different topics, including Income Taxes, Understanding How Insurance Works, How to Read Your Payroll Stub, How to Buy a New or Used Car, Banking 101 and Budgeting, Time Management, and Roadside Skills, just to name a few. Students participated in mini-lessons on these topics presented by area experts. Our students were impressive with participation, enthusiasm, and behavior. Well done, students!

We are so grateful to Jill for transforming the idea into an entire day of fun and meaningful learning for our students. She has worked closely with area businesses to see this idea become a reality. We are grateful for our business partners who stepped up for the challenge in so many great ways! We saw you too, Joe Sceifers! Thank you, teachers, for your flexibility and GO-TEAM-MUSTANGS approach while supervising throughout the day.
