Hello Mustangs!

We have some new faces at NWM/HS this year as well as familiar faces in new roles. Please allow me to introduce you to our newest members of the herd and update you on the new roles of some familiar faces!

Margot Davidson

Margot is a graduate of NWM/HS, class of 1985. The family and community ties created by her grandparents, parents, siblings, and children, all graduates of NWM/HS, have given Margo great new purpose in giving back to the community in her new para-educator position. For the past several years, Margo's focus has been in volunteer work in multiple schools in the area with the Pure Education Initiative. The Pure program guides students in all grade levels in understanding the importance of making good healthy choices. The Good News Club is also one of my Margo's favorite after school programs within NWES. Margo enjoys reading, gardening, travel, and spending time with her family. Margo said, "I give all glory and honor to Jesus, my King," and "Go Mustangs!"

Anthony (Tony) Kern

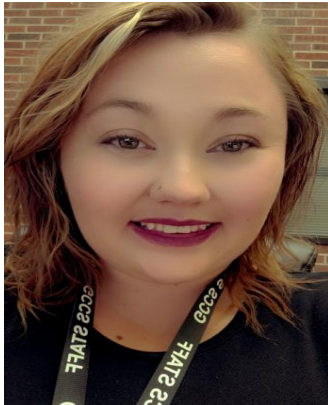

Tony is new to NWM/HS, and teaches 6th grade English/Language Arts and Science this year. Tony has a bachelor's degree from the University of Wisconsin at Oshkosh, and a law degree from Seton Hall University School of Law. Tony is married with 3 teenage sons, and his hobbies include long-distance running, reading and traveling.

Stacy LaJoie

Stacy LaJoie is excited to join the Mustang Community. She comes to New Wash with 25 years of experience teaching art in GCCS, 14 years in elementary and 11 years in middle school. Stacy splits her time between CHS and NWM/HS, teaching at CHS in the morning and NWM/HS in the afternoon. Stacy's studies at U of L were concentrated on Ceramics, Art History, and Fibers. She earned a Master's degree in Art Education. Stacy is married to her amazing husband who is a professor at U of L. She has 2 boys, 2 bonus boys, 2 cats and the sweetest dachshund ever. Stacy and her family live in Louisville. Stacy likes to garden, quilt, read, and dabble in other art mediums on my down time at home.

Morgan LaMaster

Morgan is the new Media Clerk here at NWM/HS. Morgan is very excited to start in this position. She went to New Washington from Kindergarten until the end of her junior year. Morgan graduated in 2013 from Scottsburg High School and is currently enrolled at IUS majoring in Secondary Education, concentrating on Social Studies. Morgan has two daughters, and is getting married in October of 2022 in Gatlinburg, Tennessee. Morgan is a huge University of Kentucky fan and has a love for animals. Morgan and her family have chickens, ducks, and goats at home, as well as a donkey and Clydesdale boarded at a local barn.

Kimberly McWhorter

Kimberly is the new Administrative Assistant at NWM/HS. She was born and raised in Jeff and is a 1997 Jeffersonville High School graduate. Kimberly and her husband, Doug, currently live in Greenville. They have been married for 16 years and have 2 boys, Jacob and Ethan. Jacob is a freshman at Floyd Central High School and Ethan is a 5th grader at Highland Hills Middle School. Kimberly spends most of her free time watching Jacob on the baseball field, either for school or travel, or watching Ethan play basketball. Kimberly is happy to be part of the Mustang Family.

Clay Ables

This is Clay's third year at NWM/HS, but his first year as a full-time teacher. Clay teaches Radio. Our station is available on streaming through our WPMQ New Washington social media pages, and on 99.3 FM. Clay is proud that our station is a rap-free zone that plays family-friendly programming. Along with working at New Washington, Clay also teaches photography and Radio/TV at WJHI with Jeffersonville High School. Outside of school, Clay runs a video and photo production company and works for the ACC & SEC Networks. Clay loves his career. Go Mustangs!

Zach Burkhardt

Zach is a Certified Athletic Trainer with Baptist Health Hospital. He also is a Workplace Specialist full-time teacher with NWM/HS and CHS. He has worked with CHS for 6 years and NWM/HS for 3 years. His skills include injury prevention, evaluation/ diagnosis, and rehabilitation/ recovery. Zach teaches Principles of Kinesiology and Health Science 1 and 2. In his free time, Zach enjoys scuba diving and following the Bengals. WHO-DEY!

Josh Whicker

Josh is a dual credit social studies and communications teacher at Charlestown and New Washington High Schools. He just began his 23rd year teaching and his sixth in Greater Clark County Schools. He and Erin, his wife of 19 years, love to travel and have a dog named Susie. We are grateful to have Josh in the building during the school day!

Congratulations to all of our students for showing growth in math or English/Language Arts on the iLearn test they took at the end of the last school year. Students received an ice cream treat today as a reward for their effort and achievement.
