Q4 PRIDE REWARDS QUALIFICATIONS

- Zero Missing Assignments
- Zero Discipline Referrals (including ISAP, lunch detention, or office referrals)
- Zero Tardies
- Zero Unexcused Absences

We were so excited to hear students share about their Eclipse experiences! We are grateful for their off campus experiential learning Monday. Our students have been reviewing content in their classrooms and preparing for new content. Eighth graders are preparing to read *The Diary of Anne Frank* and have been learning about the historical context. Education students were invited to IUS to participate in a conference. They were able to meet the Dean of Education and other faculty members while experiencing the campus.

ILEARN testing will begin on April 16 for middle school students. Breakfast will be provided for testers during ILEARN. Please make sure students are well rested and bring their charged Chromebooks. We are excited for them to show what they have learned this year!

Junior and Senior Parents: Prom is on April 20, from 8-11pm at Franklin Farms! Tickets are currently on sale before school and during lunch. Students wanting to attend After Prom may sign up using the link in their English Google Classroom.

On the following pages, there is a student story on Erin Houchin's visit with sixth graders. Addison Gnagie is a student in our Radio/TV program and has used what she learned to bring this story to us! Thank you Addison and Mrs. Woods!

NEW WASHINGTON MIDDLE HIGH SCHOOL

CONGRESS VISIT

CONGRESS WOMAN HOUCHIN VISITS NWMHS

Mustang Memo

4.14.24

Micah Bell was one of the many students who asked Congresswoman Houchin a question.

Representatives of the sixth-grade class presented Congresswoman Houchin with a certificate of appreciation

Congresswoman with the student ambassadors

On April 5th NWMHS 6th graders were honored by a visit from our 9th district congresswoman Erin Houchin.

As part of The Financial Service Committee, Congresswoman Houchin has paired with NWMHS to introduce our 6th graders to the Capitol Hill Challenge.

CHC gives kids early exposure to savings investing in civics. It highlights the importance of financial responsibility and the discipline to save money to invest.

The congresswoman maintains two offices, one here in the ninth district Jeffersonville and her main office in Wahington DC.

She answered various questions from students and encouraged any Mustangs visiting our nation's capitol to arrange a visit with her office.

It was a wonderful experience, and we appreciate congresswoman Houchin taking time out of her busy schedule to visit with us.
